

We're excited to offer a number of registration options so that all our members can be part of our 2024 Community Rising! Conference. We have worked to keep the cost of attending as low as possible, and for the first time, we are offering installment payment plans for anyone who would like to spread the cost over the spring and summer. **All registration fees need to be paid in full no later than September 15.**

We have options that include virtual only, entire conference, and the entire conference with the special add-on day at Old Town School of Folk Music. If you would like to stay any extra nights at the Embassy Suites either before or after the conference, they are offering a discounted room rate of \$139 + tax for a double or a single room. This will be billed separately when you check into the hotel. Please indicate on your registration form if you would like to come early or stay late.

Please reach out to Jane Arsham [janea@cmnonline.org](mailto:janea@cmnonline.org) (774) 454-0001 with any questions or if you would like to set up a payment schedule before you register. Limited scholarships are available. If you are interested, please check the option on the registration form for the application.

**All rates below are Early Bird pricing available through August 15.**
